EXPERIENCE

Preqin - UX Designer — New York, NY | Aug 2016 - Present

- Designed from concept to launch Preqin Pro, focusing on search, data filtering, email alerts, and analytical benchmark tools
- Created sketches, wirefarmes, and dynamic prototypes via Axure and Sketch to communicate user flows with engineers, product managers, and CTO within an agile environment
- Conducted usability testing sessions after each phase release of Preqin Pro with internal employees and external clients, gathering key insights and user feedback
- Designed and implemented a responsive framework for Preqin Pro from desktop to tablet view

Preqin - Research Analyst — New York, NY | Oct 2015 - Aug 2016

- Communicated with executives and investment analysts from pension funds and foundations seeking updates on their portfolio exposure to alternative assets
- Gathered and analyzed data for the firm's annual global report by surveying institutional investors
- Extracted alternative asset allocations and fund valuations from financial statements, annual reports, SEC filings, and tax forms (990s / 5500s) to further update investor profiles
- Published reports summarizing institutional investors' future investment plans and preferences within the private equity and hedge fund industry

Network 1 Financial Securities - Financial Services Intern — Red Bank, NJ | Jun 2014 - Aug 2014

- Performed targeted research and analysis on equities and option strategies
- Examined the firm's Written Supervisory Procedures for specific internal auditing controls, and helped organize, sync, and upload files into the firm's database
- Formulated mutual fund recommendations based off of 1, 3, and 5 year returns using Morningstar and Zack's Ratings

Rutgers RWJ Medical School - Research Assistant — Piscataway, NJ | Feb 2014 - Dec 2014

- Led a team of students to perform data input/analysis using File Maker Pro and SAS in a clinical study on asthmatic patients
- Published two abstracts to the International Society for Advancement of Respiratory Psychophysiology
- Participated in weekly research meetings with other research assistants and the principal investigator of the clinical study
